

TLIC3036 Apply safe car driving behaviours

This course is conducted over 1 day.

Delivered by **Advanced Driver Training Centre** a division of **Expert Training Group**, this unit involves the skills and knowledge required for higher-order safe driving.

This unit applies to any driver required to apply safe driving behaviours. This includes higher-order skills involving broad cognitive, technical, communication and vehicle management. It also requires knowledge about hazard perception, risk control and safe driving behaviour, judgement, decision making and multi-tasking, that builds on driver licence requirements across a range of vehicles and driving situations. Safe car driving behaviours are applied without supervision.
