

TLIC2025 Operate four wheel drive vehicle

This course is conducted over 1 or 2 days, depending on your needs.

Delivered by **Expert Training Group** in partnership with **Advanced Driver Training Centre**, This unit involves the skills and knowledge required to operate a four wheel drive vehicle safely in a range of conditions in accordance with the relevant state/territory legislated roads and traffic licence requirements.

It includes driving a four wheel drive vehicle on roads, traversing gradients, ascending and descending steep gradients, and operating in rugged terrain. It also includes using vehicle equipment/controls and completing pre- and post-operational checks.

Recognised driver's licence or provisional car licence must be held prior to commencing this unit of competency.

Nationally accredited unit:
